Professional Experience

Junior UI/UX Designer
JRK Consulting Services, Chennai (September 2023 – Present)

- Designed and developed fully functional front-end interfaces for both web and mobile applications using Angular and Flutter.
- Enhanced user experiences by incorporating GSAP.js, CSS animations, and jQuery in web projects.
- Delivered pixel-perfect, mobile-first designs aligned with client requirements, ensuring enhanced user satisfaction.
- Utilized tools like Figma and Adobe XD to craft wireframes and high-fidelity prototypes for web and mobile apps.
- Conducted usability testing to gather feedback and refine designs for optimal functionality and aesthetics.

Trainee UI/UX Designer
JRK Consulting Services, Chennai (June 2023 – September 2023)

- Collaborated with senior designers to develop user-friendly prototypes and mockups for diverse projects.
- Gained hands-on experience in front-end development, implementing designs with HTML, CSS, JavaScript, and Flutter.
- Assisted in creating design systems and style guides to maintain consistency across projects.

Key Achievements

- Spearheaded the development of a responsive Car Booking landing page hosted on GitHub, showcasing expertise in Angular.js, and AOS animations.
- Designed user-centric interfaces for 3+ e-commerce websites and 12+ UI/UX mobile applications.
- Delivered 10+ fully functional front-end web projects, ensuring seamless user experiences.
- Completed 10 front-end UI projects using Flutter, focusing on creating intuitive and responsive designs.
- Led cross-functional collaboration to ensure design-to-code accuracy, reducing iteration cycles by 20%.
